

# FORM/REFORM:

**The National Conference  
on Environment and Art  
for Catholic Worship**

## ***Touching Mystery Through Vision, Creation and Mission***

**July 29 - August 2, 2006**

**Kansas City Marriott Downtown  
200 West 12th Street  
Kansas City, Missouri**

The 15th National Form/Reform Conference will feature instructive sessions and offers continuing education credits to Artists, Architects, Building Committee Members, Deacons, Environment and Art Committee Members, Liturgical Design Consultants, Liturgists, Music Ministers, and Pastors.

FORM/REFORM is sponsored by The Georgetown Center for Liturgy

**Conference Details at: [www.FormReformConference.com](http://www.FormReformConference.com)**

## Conference Commitment and Goals

Knowledgeable speakers, practical resources, artist and architect portfolios, and faith-filled experiences all await participants at the 2006 FORM/REFORM Conference. Designed for the ultimate benefit to participants, this four-day event will:

**Help** those involved in the building, renovation or restoration of worship spaces by providing practical information on the wide range of issues involved in this task.

**Gather** those with an on-going interest in spaces for worship and art for the liturgy by providing continuing education, and a forum for both individual and conference-wide sharing of conversation, information, and debate on liturgical issues facing both the local and national church.

**Celebrate** the work and vision of those artists, architects, and crafts persons who give the liturgy its visual expression by providing an opportunity for networking with other artists and those interested in art for the church.

### Goals

- ◆ To address the issues related to the building, renovation, or restoration of a worship space in light of current church documents.
- ◆ To foster the local community's search for solutions to its particular problems and challenges that its space presents.
- ◆ To foster collaboration among artists, architects, and local and diocesan committees.
- ◆ To provide a forum for education and discussion of current issues in an age of transition

## Georgetown Center for Liturgy

The Form/Reform Conference is presented in collaboration with  
The Georgetown Center for Liturgy

The Center is an education, research and consultation center  
dedicated to transforming American Catholic parishes through the liturgical renewal  
initiated by the Second Vatican Council

The Center's staff consists of Rev. Lawrence J. Madden, S.J., Director,  
Anne Y. Koester, Associate Director, Jeffrey Price, Administrator and  
Meeting Planner and Paul Covino, Program Coordinator (adjunct)

# FORM/REFORM:

## The National Conference on Environment and Art for Catholic Worship

FORM/REFORM is the only U.S. conference devoted to the full range of issues in architecture, environment and art for Catholic worship. Held in different parts of the country every two years, the conference attracts architects, artists, liturgists, musicians and members of parish and diocesan building committees. Richly diverse in background, the participants at FORM/REFORM share a common dedication to shaping beautiful spaces that serve the liturgical life of the Catholic community.

FORM/REFORM is unique in the variety of activities that take place during the conference. In addition to the three major presentations, there are two extended pre-conference workshops, over 50 breakout sessions, tours, specialized colloquia, artist and architect portfolios and exhibit hall receptions and an exhibit hall with over 100 exhibits and artist co-op centers.

The general sessions will inspire us by examining 3 goals:

- ◆ Grounding the Vision
- ◆ How Does Architecture Enflesh the Vision
- ◆ Living Out the Vision

Based on our past history, we anticipate the FORM/REFORM Conference to host 500-600 participants from 145 different dioceses, from at least 45 states and several foreign countries.

Because of the wonderful opportunities at this conference for networking and sharing ideas with all the artists, architects, liturgical design consultants and presenters, we encourage you to stay at the Kansas City Marriott Downtown. As an additional incentive, each person staying at the conference host site will be eligible to win \$100 per night of their stay. We hope you take advantage of this and join us at the Marriott for the conference.

FORM/REFORM is registered with the AIA Continuing Education System (AIA/CES). This conference meets the AIA/CES criteria for learning credits. Continuing Education Credits are also available through our Conference Sponsor, the Georgetown Center for Liturgy, Washington D.C.

With the recent devastation and destruction of many parishes in the Gulf Coast region, we have established a scholarship fund to provide travel, housing and complimentary FORM/REFORM registrations to parish representatives to aid in their re-building and renovation projects. Please consider a donation to this fund.

Diocesan Office of Worship Directors and parishes affected by the 2005 Hurricane Season please contact our office for a special offer.

***“FORM/REFORM Conferences offer indispensable opportunities for pastors and parishioners to acquire the tools required in building new structures or renovating older facilities. These moments are preparation multipliers in the faith communities’ efforts to design and implement use of the sacred space.”***
